CAREER OBJECTIVE

B.Tech CSE-IoT graduate with practical knowledge of Core Java, Advanced Java, Object-Oriented Programming, JDBC and MySQL. Experienced in developing console-based Java applications and CRUD/database projects. Seeking an entry-level Java Developer or Software Developer role where I can apply my programming and problem-solving skills and grow as a professional.

TECHNICAL SKILLS

Programming	Core Java, Advanced Java, OOP
Java / Database	JDBC, MySQL, CRUD Operations
Web Basics	HTML, CSS, JSP, Bootstrap
Tools / IDE	Eclipse IDE, Visual Studio Code, Git, GitHub
Server / DB Tools	Apache Tomcat, XAMPP
Other	Problem Solving, Debugging, Logical Thinking

INTERNSHIP EXPERIENCE

Core Java Intern — CTTC, Bhubaneswar | 1 Month

- Completed practical training in Core Java and Object-Oriented Programming.
- Worked on Java programming exercises and improved problem-solving and debugging skills.

Web Development Intern — OctaNet Services | 1 Month | Online

- Completed online training focused on HTML, CSS, JavaScript and Bootstrap.
- Built and worked with basic responsive web interfaces.

PROJECTS

Vehicle Rental System — Core Java & OOP

- Developed a console-based Vehicle Rental System using Core Java.
- Applied encapsulation, inheritance, polymorphism and abstraction.
- Implemented vehicle registration, selection, rental and availability management.
- Used Java collections and user input handling.

To-Do Application — MySQL & CRUD

- Developed a To-Do application with Create, Read, Update and Delete functionality.
- Used MySQL for storing and managing task data.
- Implemented task creation, viewing, updating and deletion features.
- Designed a simple interface using HTML, CSS and Bootstrap.

Console-Based Calculator — Core Java

- Developed a console-based calculator using Core Java.
- Implemented arithmetic operations using methods, conditions, loops and user input.

JSP Website Page — JSP & Tomcat

- Created a separate dynamic website page using JSP, HTML, CSS and Bootstrap.
- Used Apache Tomcat to run the JSP application and Eclipse IDE for development.

EDUCATION

B.Tech — Computer Science & Engineering (IoT) — GITA Autonomous College, Bhubaneswar | 2022–2026 | CGPA: 8.0

12th — Regional Higher Secondary College, Nimapara | 66%

10th — Saraswati Shishu Vidya Mandir, Astarang | 56%

STRENGTHS

Problem Solving • Logical Thinking • Quick Learner • Debugging • Teamwork
